

Christmas Cookies

Christmas cookies and holiday hearts
That's the way the holiday starts
Christmas cookies and holiday hearts
Goody, goody yum yum yum

Ooh, Some are made like Evergreen trees
Eat Em by two's, Eat Em by three's
Christmas cookies and holiday hearts
Goody, goody yum yum yum

Mommy Mommy make a little more
All the children say
Mommy Mommy make a little more
And soon it's Christmas Day - Hey

Christmas cookies and holiday hearts
That's the way the holiday starts
Christmas cookies and holiday hearts
Goody, goody yum yum yum

Mommy Mommy make a little more
All the children say
Mommy Mommy make a little more
And soon it's Christmas Day - Hey

Christmas cookies and holiday hearts
That's the way the holiday starts
Christmas cookies and holiday hearts
Goody, goody yum yum
Goody, goody yum yum
Goody, goody yum yum yum
