

Let me be the first to wish you Merry Christmas

Let me be the first to wish you Merry Christmas this year
All thought the holiday is still sometime away

Let me be the first to wish you Merry Christmas my dear
You're here beside me now, so why wait another day

Now you may think I'm rushing things
But, folks before you know
You'll hear the sound of Caroling
And Sleigh bells jingling in the snow

So let me be the first to tell you what's really in my heart
I want you here with me when Christmas comes along

Not only for this year, but every Christmas from now on.

I want you here with me when Christmas comes along

Not only for this year, but every Christmas from now on.
