

It's Christmas, Let's have sex

It's a beautiful time of the year
I'm so glad your near
The wind is blowin
It might start snowin
There's just the 2 of us here

It's Christmas, Let's have sex
It's Snowin, Let's have sex
Santa's comin, Let's have sex
Ohh Ohh Ohh, Let's have sex

I hope you'll bring your spurs
The ones with the sharp little burs
Knock the Christmas tree out of the way
And hear the jingle bells say

It's Christmas, Let's have sex
And It's Snowin, Let's have sex
Santa's comin, Let's have sex
Ohh Ohh Ohh, Let's have sex

The room is light with candles
The halls are decked with holly
I'm just wearing sandals
So let's get down and we'll be jolly

Christmas, Let's have sex
It's Snowin, Let's have sex
Santa's comin, Let's have sex
Ohh Ohh Ohh, Let's have sex

Instrumental break

It's Christmas, Let's have sex
It's Snowin, Let's have sex
Santa's comin, Let's have sex
Ohh Ohh Ohh, Let's have sex
